

Please follow the below steps to login to the LMC:

- New Users, please login using (*last name and last four numbers of your SAP*).
- The system will prompt you to change the password and comply with new VWGoA security regulations.
- Going forward, User ID = Last Name and Password = The Newly Created Password.
- Should you forget the password, click on the "Forgot Password". The system will generate an email with the capability to change the password.
